QUALIFICATIONS

The qualification period for each Monarch National Championship begins on the day following the conclusion of the previous year's Monarch National Championship and continues through the start of the current year's Monarch National Championship.

To be eligible to compete in any **Monarch**-titled Amateur or Junior Exhibitor Championship class, the same horse-and-rider combination must have competed in **any** division at a minimum of **three (3) horse shows** during the qualification period. Any horse show may be used to satisfy this requirement. This includes local, academy, open breed, and breed-specific competitions. The following events do not count toward qualification:

- World's Championship Horse Show
- UPHA/American Royal National Championship
- Morgan Grand National Horse Show

No qualification is required for:

- Monarch Open American Saddlebred classes
- Monarch Hackney Pony division
- Monarch Parade division
- Monarch Open Saddle Seat Equitation classes
- American Saddlebred Junior/Limit classes
- Academy

Unless otherwise specified, all class titles beginning with "Monarch" require qualification, while all class titles beginning with "Open Breed" do not require qualification, except as noted above.

Horses may cross-enter into the Open Breed Division. However, any horse-and-rider combination competing in the Single-Bit Division must remain in the Single-Bit Division.

WARM UP RING SAFETY

Abuse of any kind will not be tolerated. If you see a rider, handler, trainer, or anyone else violating the welfare of a horse or rider, report it to management. We want to create a safe, positive, and fun atmosphere for all to enjoy, and continue to set a good example to all who are watching. Appropriate warm up ring etiquette will be enforced.

For the safety of horses, exhibitors, and spectators, the use of lash whips in the warm-up, schooling, and makeup areas is prohibited. Standard riding crops and whips permitted under ESC rules may be carried, provided they do not exceed six (6) feet in total length and are used in a safe and humane manner. Competition Management reserves the right to prohibit any equipment or behavior deemed unsafe or disruptive.

The Monarch National Championship Horse Show Series is governed by the Equine Sports Council. The Equine Sports Council provides rules and standards, marketing, support and education to their network of horse shows with an emphasis on integrity, sportsmanship and safety. For more information visit EquineSportsCouncil.org. The ESC General Rules can be found on the ESC website, and MonarchShowSeries.com. A hard copy of the Equine Sports Council Rules will also be available in the show office.

Monarch Events, LLC will not be responsible for any loss or damage or injury to horses exhibited, or for any article of any kind or nature that may be lost or destroyed, or in any way damaged. Each exhibitor will be responsible for any injury that may be occasioned to any person, whomsoever, by any horse owned or exhibited by him and shall indemnify the Monarch Events, LLC, or any member thereof, against all claims and demands, of any kind or nature, that may grow out of any injury occasioned by any horse owned or exhibited by them, or arise from the negligence of the person in charge of any such horse. All horses exhibited at this show will be entirely at the owner's risk.

HEALTH REQUIREMENTS: All horses on the show grounds must be in good health. Animals showing evidence of contagious or infectious diseases will be removed from the grounds by order of the official veterinarian. Horses originating from outside Illinois must be accompanied by an Interstate Health Certificate issued by a licensed Veterinarian within thirty (30) days prior to exhibition identifying each horse and certifying that it is free, insofar as can be determined, from infectious disease. A negative Coggins test for Equine Infectious Anemia within twelve (12) months and proof of Rhinopneumonitis (Rhino/flu) vaccination within six (6) months of entering the stables or the fairgrounds must accompany each horse. These documents must be recorded by the office personnel for each horse brought onto the fairgrounds.

An official veterinarian will be designated to make official inspections and rulings in all cases where the opinion of a veterinarian is required. No one shall approach a veterinarian with regard to his or her decision unless he or she first obtains permission from the Show Committee who shall arrange an appointment with the veterinarian at a proper time and place.

TO HONOR, RECOGNIZE AND SERVE

All entry fees from class 141, the "Golden Gate Stables Memorial" ASB Show Pleasure Adult Championship, will be matched by Monarch Events and donated to the Hershel Woody Williams Medal of Honor Foundation.

The Woody Williams Foundation is a charitable 501c(3) nonprofit organization that pursues specific endeavors and goals through the vision of Medal of Honor recipient Hershel "Woody" Williams. The Foundation encourages, with the assistance of the American public and community leaders, establishing permanent Gold Star Families Memorial Monuments in communities throughout the United States, conducting Gold Star Families Outreach across the country, providing Living Legacy scholarships to eligible Gold Star Children, and advocating for educational benefits for all Gold Star Family members.

The impact of the Foundation's work helps to raise public awareness about Gold Star Families' enduring sacrifice and the ultimate sacrifice made by their Loved Ones. The Foundation wishes to educate the community about these sacrifices, reminding us all that freedom has not been and is not free.

To honor, recognize, and serve Gold Star Families and the legacy of their Loved Ones who have paid the ultimate sacrifice.
