Instructions

1. Begin the pattern by loping over the logs as shown on a left lead.
2. Stop beside the log and sidepass left halfway over it. Walk forward over the bridge.
3. Jog in a loop over the logs.
4. Lope on the right lead over the next set of logs.
5. Transition to a walk and walk over the logs into the chute.
6. Back up and pivot into position beside the gate. Work the gate as a left-hand push.
7. Jog forward out of the chute and over the logs as shown.
